How To Best Pray For Our Families

Suggested Prayers:

How To Best Pray For Our Families

Pray For:

the caregiver's strength in the journey

the child's healing from their trauma

a strong bond in the parents' marriage

competent therapists & professionals for the family

the family to find a community of support

the connection between parents & children to be strengthened

God's comfort as the children and family grieve their losses

resources for families' physical, emotional, spiritual needs

the family to thrive in implementing new tools and strategies

hope during the difficult times
