

A LETTER FROM THE  
CHIEF EXECUTIVE OFFICER

A new Board member recently asked me why people join us in this mission. He has a very personal connection but wondered what brought others in. I boiled it down to two basic motivations:

First, people hear about the healing and transformation and they want to be a part of advancing our mission. [Watch this video](#) to see how James, Jordan & Matthew are overcoming extraordinary challenges of foster care in a pandemic.

Second, the injustice that continues to plague children & youth stirs up such a passion to fight for healing and systemic change. Young children who have been abused sometimes perpetuate violence or sexual harm, which begins a terrible cycle that can lead to incarceration. Our team works overtime to help these youth get intensive treatment, legal help and healing from their own pain. We also advocate for policy reform, as youth often cannot access the treatment they need due to red tape.

I invite you to continue being part of this life-changing work. As children heal, we get to rewrite endings and change family trees. Your giving and support truly matters — more than ever. Two easy ways are sponsoring or joining our virtual race in November or through [Amazon Smile](#) below.

To the right of the boy, the text 'SAVING REASONS UNTIL THE END' is written in large, white, sans-serif capital letters. Below this, in a smaller font, is the quote: "The Three Rs" - Regulate, Relate, and Reason".
